

PRO series HDMI cables

Economic, purpose-designed commercial grade for reliability and longevity

Key Features:

- Slim, flexible, round profile cables with installer-friendly packaging
- Shallow mounting depth
- ProFit™ connector fits firmly into HDMI receptacle without falling out

Technical Notes:

- Ultra-sonic automatic soldered free-air terminals create reduced capacitance and digital jitter for consistently high data rate support
- OFC solid-core TMDs conductors for high performance
- CMG in-wall fire rated jacket
- 1kg retention force
- Eleven lengths from 0.5m / 1'7" to 20.0m / 65'7"

Warranty:

Pro cables are protected by our Immortal Lifetime Warranty. This warranty will never expire while the product is being used as designed.
